WORK EXPERIENCE

VIDEO EDITOR & MOTION GRAPHICS DESIGNER

Technology Brothers Podcast Network (TBPN)

2024 – 2025 | Remote

- Played a key role in scaling the network from launch to 40,000+ YouTube subscribers within one year.
- Edited full podcast episodes, clips, and YouTube Shorts, optimizing content for multiple platforms.
- Supported rapid production cycles while maintaining brand consistency across formats.

VIDEO EDITOR & MOTION GRAPHICS DESIGNER

John Coogan (Technology & Finance Youtube Channel)

2023 – 2025 | Remote

- Contributed to the growth of the channel to 400,000+ subscribers, supporting audience retention and brand positioning through consistent editorial quality.
- Edited and designed documentary-style videos covering major technology companies such as Anduril and Rippling, as well as high-profile public figures including Donald Trump, which reached 3M+ views.
- Collaborated closely with the channel's producer to define the editing style guide, ensuring visual and narrative consistency across releases.
